**V. PUBLIC PARTICIPATION**

Mr. Pat Lysobey of 9503 Vista Drive spoke to the board about the levy proposal. He attended a community coffee at John Kohl's house this past year to get more information on the district facilities. He votes against the levies. He believes that there are benefits to having older buildings and renovating them. He discussed the fact that we couldn't pass the levies when they were cheaper and his opinion is that we won't pass it at the amount it is now.

**VI. COMMUNITY ENGAGEMENT**

William O'Callaghan, district consultant, had an in depth discussion with the board about the responses from the survey that was mailed to the community on the proposed plan of the Community Engagement Taskforce. They went over the results, comments and overall summary of the survey to assist with the consideration of placing a bond issue on the November ballot. Further discussion will may place at the June 9, 2016 board meeting work session/regular meeting.
