

Serpentini Stadium

Community Rental Guidelines

Field Rules:

1. Applications must be submitted whether or not fees are to be charged.
2. Liability Insurance of \$1,000,000/\$2,000,000 must be provided by the renter/user.
3. No sunflower seeds, gum, or red colored beverages allowed on or near the field or track.
4. Please clean up after each use. "Leave it the way you found it."
5. NO ANIMALS ARE ALLOWED IN THE STADIUM.
6. All Concessions Sales will be sponsored from NR-Athletic Booster Club.
7. A custodian will be on duty during all community/rental uses. There will be no exceptions.
8. NR – School District and Athletics will have first priority for all events.
9. All games must start and end at the specified times. Events/games will not be allowed to run over into any scheduled MS/HS contest.
10. Any misuse of the field will result in future use being denied to that specific group. Your group will also be held financially responsible.

Set-Up Use:

1. Scoreboard and Sound will only be used for State events or through request.

General Regulations:

1. Surveillance will be running 24/7 monitoring the entire Stadium area.
2. All field use must be approved prior to the date of use by the North Royalton District Athletic Department. Unscheduled use will not be permitted under any circumstances. You will receive an official permit that must be available to be checked during your use of the field.
3. Any unapproved use of the field will result in denial of future use of the field.
4. Your group must adhere strictly to the starting and ending times you are assigned.
5. Any MS/HS contest that is rescheduled must take precedence over other uses. Teams/groups will be notified if this occurs ASAP.
6. Smoking or any other tobacco products are not permitted on the property of the North Royalton School District.
7. Alcoholic beverages of any type are not permitted on the property of the NRSB.

8. Use of metal spikes on any part of the facility is strictly prohibited. No spikes are permitted in the bleachers at any time.
9. Use of stadium by baseball/softball groups
 - A. Use of some type of portable/removable backstop is required if the group is doing any type of live pitching. Pop-up backstops may not be held down by spikes, use weights or sand bags for hold-down.
 - B. Residents and other groups may be running the track or in the bleachers during practice times therefore we cannot allow live full- swing hitting with balls being hit into the bleachers/stands. Throwing and infield/outfield practice is permitted. No live batting practice is allowed, however live pitching for bunt coverage drills is acceptable.
 - C. No soft toss is permitted in any part of the complex (this includes use of wiffle balls). This activity causes permanent fence deformation over time.
 - D. No pitching machines with spikes for support
