WELCOME

Our hope is that you will leave this meeting with a better understanding of your public schools and the School Board that you've elected to oversee them.

THE MEETING

Our meetings are open to the public and all our discussions will be held in the open with the exception of executive sessions. All regular meetings are audio recorded and archived. Copies can be requested from the District Treasurer's Office. As you will note, there is time on the meeting agenda for citizen comment and questions. If you have questions about the specific procedure, please check with one of the Board members or a district staff member prior to the start of the meeting. Involved and informed parents and citizens are our best guarantee of excellence in our public schools.

THE AGENDA

The Board receives a full agenda several days prior to the Board meeting. The agenda may deal with curriculum, budget, hiring of personnel, facilities, school transportation or long-range planning. The agenda usually includes written supporting material that helps with decision-making. If it appears that quick action has been taken on an item, it may be because the topic has been studied for several weeks or that questions have been answered in advance of the meeting.

PUBLIC PARTICIPATION

The Board values and encourages public comment on educational issues.

Anyone having an interest in actions of the Board may participate during the open forum portion of the meeting. Prior to the meeting, we ask that you please identify yourself to the Board President or Superintendent.

The purpose of these sessions is to provide an opportunity for the public to share their thoughts on any matters of importance to the school district. It is not for the purpose of having questions answered or problems resolved. Personnel concerns may best be handled through proper channels. We may refer you to, or you may want to contact, the Superintendent for further assistance. We appreciate your interest and are eager to assist you in resolving your concerns.

Participants must be recognized by the presiding officer and must preface their comments by an announcement of their name, address and group affiliation, if and when appropriate.

Each statement made by a participant shall be limited to five (5) minutes.

A LITTLE BIT ABOUT US.....AND YOU

School Board members are elected officials who devote many hours setting policies and planning for your public schools. We serve on the School Board because we care about providing quality education in our community. You are probably here tonight because you care too. We appreciate your interest and comments and ask your participation to help us meet that goal.
