

NORTH ROYALTON HIGH SCHOOL
AUTHORIZED INTERNET USE AGREEMENT FORM

To access e-mail and/or the Internet at school, students under the age of 18 must obtain parental permission and must sign and return this form. Students 18 and over may sign their own forms.

Use of the Internet is a privilege, not a right. The District's Internet connection is provided for educational purposes only. Inappropriate use will result in a cancellation of this privilege.

Parents/guardians are advised that determined users may be able to gain access to information, communication and/or services on the Internet which the District has not authorized for educational purposes, and/or which they and/or their parents/guardians may find inappropriate, offensive or objectionable. Parents/guardians assume this risk by consenting to allow their students to participate in the use of the Internet. Students accessing the Internet through the school's computers assume personal responsibility and liability, both civil and criminal, for inappropriate use of the Internet.

Students should have no expectation of privacy in communication over the Internet and the school network. The District reserves the right to monitor, review and inspect any directories, file, and/or messages residing on or sent using the school's computers/network. Messages relating to, or in support of, illegal activities will be reported to the appropriate authorities.
