

NORTH ROYALTON ALUMNI ASSOCIATION Centennial BELL PROJECT

The BELL PROJECT, is restoring the original school bell that hung in the bell tower of the first High School on Royalton Road. A replica of the original tower will house the BELL and be placed in a permanent location by the new high school. The BELL will be glass enclosed for protection and will have a BRICK PATIO around it. You can be included in this Memorial Patio by purchasing a brick to be placed in the patio.
