Activity of the Month:

What: Sock Basketball

Materials: rolled up socks & wastebasket

Skill: Letters/ sounds/ sight words

Directions: show your child a letter & have them say the sound it makes. Let them shoot a sock basketball into the wastebasket and give them a point if they make it. You can also have them read real/nonsense words and sight words as well.

Outside Activity

Hopscotch letters & words is an easy fun activity to do at home using sidewalk chalk. Draw hopscotch on the sidewalk or driveway and write letters in the boxes. Have your child hop on the letter & say the name or sound of the letter. You can also write sight words in the boxes.
