WHAT IS SCOUTING ALL ABOUT?

FUN!

Scouting enables youth to do fun activities in a safe, respectful environment while also learning about the world around them and discovering and mastering life skills.

FRIENDS!

For over 80 years, Cub Scouts have been making new friends through a program designed to help them succeed. These friendships are unique because they will provide healthy peer relationships with other youth whose family values are similar to yours.

FAMILY!

Parental involvement is an essential part of Cub Scouting and families are encouraged to participate. This family and community-centered approach brings families closer together in a relaxed, fun environment.

FUTURE!

Scouting promotes positive life skills and instills the importance of character, teamwork and leadership traits that they will need to succeed in whatever career path they choose.

¿QUÉ ES SCOUTING?

DIVERSIÓN

Scouting le permite a niños y niñas realizar actividades divertidas en un ambiente seguro y respetuoso. Además, les permite aprender acerca del mundo que los rodea y dominar habilidades para la vida.

AMIGOS

Por más de 80 años, los Cub Scouts han hecho nuevos amigos a través de un programa diseñado para ayudarlos a tener éxito. Esas amistades son únicas porque les permite tener relaciones saludables con otros compañeros que poseen valores familiares similares.

FAMILIA

Los padres de familia cumplen un rol esencial en Cub Scouting por lo que se recomienda la participación de toda la familia. Este enfoque centrado en las familias y en la comunidad fortalece los lazos familiares en un ambiente divertido y relajado.

FUTURO

Scouting promueve habilidades positivas para la vida e inculca la importancia del fortalecimiento del carácter, del trabajo en equipo y del liderazgo; características que son fundamentales para tener éxito en la vida profesional.
