

NORTH ROYALTON CITY SCHOOLS

Dear Parents/Guardians of Incoming Kindergarten Students:

Welcome to the North Royalton City Schools. I would like to take this opportunity to review the current health requirements for your child.

REQUIREMENT	DUE	AVAILABLE/FORM
School Entrance Health History	At time of registration	Online – Form NSG-100A
Immunization Records	Prior to the first day of school	Obtain copy from your health care provider
School Entrance Physical Examination	Prior to the first day of school or no later than November 1 st	Online – to be completed by Physician

Please review the required immunizations below and check your child’s immunization record as soon as possible. Immunizations can be obtained through your family practitioner or by the Cuyahoga County Board of Health (216) 201-2041. Physical examinations should be obtained through your family practitioner.

PLEASE BRING A COPY OF YOUR CHILD’S IMMUNIZATION RECORDS TO REGISTRATION

Immunization Requirements for Entrance to Kindergarten:

- **(5) doses** of DTaP, DTP, or DT, or any combination, *if the fourth dose was administered prior to the 4th birthday.*
- **(3) or more doses** of IPV; *the FINAL dose must be administered on or after the 4th birthday regardless of number of previous doses. If a combination of OPV and IPV was received, 4 doses of any combination are required and final dose must be after 4th birthday.*
- **(2) doses** of the MMR vaccine, *The 1st dose must have been received on or after the child’s first birthday. The 2nd dose must be administered at least 28 days after 1st dose.*
- **(3) doses** of the Hepatitis B vaccine. *Dose #2 must be administered at least 28 days after 1st dose; 3rd dose must be given at least 16 weeks after 1st dose and at least 8 weeks after 2nd dose. The last dose must not be given before age 24 weeks. (If your child does not have this vaccine, please make arrangements to begin the series as soon as possible as it takes 6 months to complete the series.)*
- **(2) doses** of Varicella (chickenpox). *1st dose must be on or after first birthday. 2nd dose must be at least 28 days after 1st dose.*

Please contact me if you have any questions or concerns.
