

Can You Relate When Helping Your Child With School Work?

ADULT'S VIEW:

- HELP! I don't remember how to *DO* this, let alone *EXPLAIN* it!
- My child's still confused, and now I'm frustrated! I just got home.
- Our schedule is so crowded tonight.
- I wish I could help without all the DRAMA.

STUDENT'S VIEW:

- I CAN'T do this! I HATE, HATE, HATE this stuff!
- Dad, my teacher says I HAVE to show my work THIS way!
- Everybody gets it except me.
- Are you made?

jstutor.com – Showing Parents How To Tutor Their Kids

WHY OUR EDUCATIONAL VIDEOS WORK FOR PARENTS AND KIDS:

Goal: To simplify basic skills of learning for the family at an affordable cost.

- Stop Googling. Use jstutor.com video content to refresh your memory.
- Tips and guidance for parents when you're pressed into service.
- Save time. Most videos, between 3–5 minutes long, links complementary content.
- Affordable: One subscription - access to **ALL** pre-K-12th grade content.
