

Lil Bears Preschool Newsletter  
February 2018

Dear Parents,

It is hard to believe that we are starting the third quarter of preschool, the school year is just moving along so quickly. Due to the season of winter please continue to look for possible school closings. When North Royalton City Schools are closed, so is Lil' Bears Preschool. The month of February is a very exciting and fun month as it brings Valentine's Day, parent teacher conferences and our new unit "The Construction Zone." We hope everyone has a happy and healthy February!

Past experiences have shown that it is easier for the children to pass these out if classmates' names are **NOT** marked on the envelopes. However, this is a great time to practice writing their own names on their cards. Children will be decorating their own Valentine's Day bags for this activity during the previous week.
