- XI. ADDITIONAL BUSINESS
- XII. ANNOUNCEMENTS
- XIII. RESOLUTION 2017-326: MOTION TO ADJOURN

I. CALL TO ORDER. President Dr. Susan Clark called the regular meeting of the North Royalton Board of Education to order at 7:00 p.m., October 9, 2017 at North Royalton High School Community Room.

II. PLEDGE OF ALLEGIANCE. President Dr. Susan Clark requested all present to join in the Pledge of Allegiance to the flag.

III. ROLL CALL. Present: President Dr. Susan Clark, Vice President Dr. John Kelly, Jacquelyn Arendt, Heidi Dolezal, and Anne Reinkober. Also present were: Superintendent Gregory Gurka, Treasurer Biagio Sidoti, Assistant Superintendent James Presot, Director of Personnel Patrick Farrell, staff, media and visitors.

IV. RESOLUTION 2017-309: FINALIZATION OF AGENDA. Resolve the Board of Education approve the agenda as presented.

Moved by Kelly

Seconded by Arendt

Voting Aye: Kelly, Arendt, Dolezal, Reinkober, Clark

Motion Carried

V. RESOLUTION 2017-310: APPROVAL OF MINUTES. Resolve the Board of Education approve the minutes from regular meetings on September 7, 2017 and September 11, 2017.

Moved by Reinkober

Seconded by Dolezal

Discussion: Dr. Clark thanked the Board of Education as well as Mr. Sidoti and Mr. Gurka for all their dedication and support of our District.

Voting Aye: Reinkober, Dolezal, Arendt, Kelly, Clark

Motion Carried

VI. RECOGNITION OF GUESTS AND PRESENTATIONS

- Director of Curriculum & Instruction Melissa Vojta gave a presentation on the District Report Card.
- Albion Elementary recognized 2nd grader Zackary Leanza for exemplifying the Albion core value of curiosity by starting his own YouTube channel with the help of his parents.
- Royal View Elementary shared how their playground “Buddy Bench” impacted the lives of two students, Sophia Koukios and Gwen Gaydosh as they became best friends by meeting on the Buddy Bench. This even inspired their mothers to co-lead a Brownie troop so that other girls make new friends.

- Valley Vista recognized 4th grade students Hope Sawyer, Christopher Pascu, Arianna Bokman, Samantha Dehrmann and Alivia Olman for going above and beyond as they took a leadership role in helping their school assist the American Red Cross in the relief of Hurricane Harvey. These students volunteered their time to separate all the items into appropriate boxes.
- North Royalton Middle School recognized a student's efforts of someone who wishes to remain anonymous. This person is using Instagram to let other students post acts of kindness. There are also wristbands promoting this cause in the middle school office.
- North Royalton High School senior Emma Chu was recognized for spending a month in Taiwan this past summer. She was a part of a program through the *Overseas Community Affairs Council*, where she taught Taiwanese children to speak English. She received one week of training, taught for two weeks and then spent one week touring the country.

VII. PUBLIC PARTICIPATION. The public is invited to speak to any of the agenda items and other school topics at this time. Comments should be limited to five minutes. No speakers addressed the Board.

VIII. COMMITTEE REPORTS

Legislative Report: Mrs. Arendt submitted the following report:

As Ohio's General Assembly returns from their long summer recess, they had an extremely light education-related schedule last week. The Senate Judiciary Committee heard sponsor testimony on Senate Bill (SB) 196 from Sen. Sandra Williams (D-Cleveland). This legislation would create the offense of aggravated bullying and make it a third-degree misdemeanor.

October 10, 2017, the House Education Committee is scheduled to hear the following bills at 4:00 p.m.:

<u>Bill</u>	<u>Sponsor</u>	<u>Title</u>	<u>Status</u>
H. B. No. 318	Rep Patterson, Rep. LaTourette	Define qualification and duties of school resource officers	1 st Hearing Sponsor
H. B. No. 338	Rep. Ginter	Regards school bus driver medical examinations	1 st Hearing Sponsor
H. B. No. 98	Rep. Duffey, Rep. Boggs	Address career information presentations to students	4 th Hearing *PV All Testimony
H. B. No. 200	Rep. Koehler	Create Opportunity Scholarship Program	6 th Hearing All Testimony

Finally, the Higher Education and Workforce Development Committee is scheduled to hear final testimony and possibly vote on substitute SB3 and HB 166. Each chamber version of this legislation addresses requirements and qualifications for certain work-related programs and opportunities in primary and secondary settings.

CVCC Report: Mrs. Arendt submitted the following report:

At the September 21, 2017 meeting of the CVCC Board of Education, the law firm of Roetzel & Andress presented their proposal to be added to the general counsel list at CVCC. The other three firms, Squires Patton Boggs, Ennis Britton and Day Ketterer will be interviewed at our next meeting.

Also at the meeting, the superintendent updated us on the ODE High School Requirements for the class of 2018. He stated that CVCC is working with the home districts to make sure students meet the necessary requirements to graduate. An enrollment analysis and the annual food service report were provided, and the superintendent shared CVCC's state report card. Hal Kendrick discussed the five year facilities plan and highlighted the roofing and window needs of the building. Finally, Josephine Everhart presented the updated curriculum and instruction plan for the Teaching Professional Program that will become a two year program starting in the 2018-2019 school year. Our next meeting is on October 19, 2017, at 6:00 p.m.

Transportation: Mrs. Reinkober submitted the following report:

On September 12, the transportation department had their first spot inspections by the Highway Patrol. Five buses were checked and all five passed with only minor defects found, which were corrected the same day.

The transportation committee met on September 27 and heard two stop appeals. Both requests resulted in no change to the current bus stops. The committee also received updates regarding the bus replacement grant which is still currently on hold at the Federal level. No timeline has been given for when the funds will be available. Mr. Presot also gave an update on the planning processes of the district's construction projects.

Our drivers are completing their student and mileage counts, which will be reported to the Ohio Department of Education by November 1 on the T1 report. The week of October 16 is National School Bus Safety Week. This year's theme is "Stop on Red" to serve as a reminder to all motorists on the importance of stopping for a stopped school bus.

PHNR: Mrs. Reinkober submitted the following report:

The next PHNR meeting is on October 18, 2017, at 9:00 a.m. in the North Royalton Library.

Building & Grounds: Mrs. Dolezal submitted the following report:

Our high school was ground zero for our annual NR Schools/City Health and Community Wellness Fair. An estimated 300 plus people attended and what we received via feedback, the event was a great success. A big thank you to all of those who participated and helped this event become so popular with our students, staff and residents.

The maintenance department performed a major cleaning of two of the District's detention basins. The department used a backhoe to better define the swale and clean out grasses and debris to make sure water is clearly going into the storm water management systems. The department checks these basins regularly and performs regular maintenance as needed. As repairs are needed on our older style metal halide lighting units, the maintenance department is changing them over to more efficient LED lighting. Recent changes have been performed at our baseball field area and wall packs outside of our middle school building.

Plans are ready to begin the startup of our heating within our buildings. Our three elementary buildings are the first to be fired up followed by the high school. The middle school HVAC is always on line thanks to the GEO Thermal System.

Snow is on its way. The District's fleet of trucks have been upgraded with a new Serpentine Chevy pickup truck along with a western plow system. Even though the life expectancy for plow trucks is seven years, we were able to get 9 to 12 years from our old fleet. With the newer fleet and plows, we will hopefully cut down on down time and repair costs. We hope that Mother Nature will also be kind to us this winter.

This past month plumbing repairs came one after another. Some of the projects included repairs to a few sinks, drinking fountains, replacement of multiple toilets, domestic hot water tank leak, boiler safety valve replacement and work on our GEO Thermal.

Curriculum & Instruction and Pupil Services - Dr. Kelly submitted the following report:

Per the requirements of the Third Grade Reading Guarantee, public school districts are required to diagnostically assess and determine students as being on or off track with reading progress in grades K, 1, 2, and 3. We have administered the STAR reading assessment for this measure in grades 1-3, and the Kindergarten Readiness Assessment in kindergarten. Elementary teams are meeting to determine which students are off track and who will need a Reading Improvement and Monitoring Plan (RIMP). Parents will be communicated with regarding this determination, as well as what the plan for intervention will be.

A number of district-wide meetings have taken place related to looking at data and standards to increase student achievement. The RtI and District Leadership Teams both met in September and math teachers from the middle school and high school collaborated this month on their vertical curriculum maps and assessments.

Pupil Services has set a focus on our Post Secondary transition process. On September 20 and 21, teams from middle school and high school, along with Cristina Zukowski and Julie Bogden, attended a training at the ESC on the Transition Process. The team will have ongoing support from the SST 3 team throughout the school year to address our process. We will be evaluating our strengths and needs, then designing a process, selecting a set of assessments and creating connections and resources within the community to support and ready our students for their adult life. Assessments are completed with our kindergarten students to identify those children most in need of early intervention and supports. Those interventions, including direct instruction and online supports, will begin this month.

Recreation Board: Dr. Kelly submitted the following report:

The North Royalton Recreation Board met on September 26, 2017 at City Hall. The City Recreation Director reported that his crews will be doing a major re-siding and roofing project for the batting cage shed. NRBB will be purchasing the supplies and city workers will be doing the labor. The project will be done this fall. The city is also getting quotes for repairs to the soccer pavilion anticipating doing this work also before the snow falls. The city reported that plans for a pavilion and the layout of the city green are being reviewed. The expectation is to go to bid this winter with a completion date in time for city wide centennial celebrations next year. The city also reported an anticipated completion of the new wetlands park adjacent to the YMCA this fall as well.

Soccer reported a slight decrease in players from 2016 and that the season is progressing well. Once again all travel teams will be participating in the Ohio Travel Cup in Lodi. Baseball is in its off season and new trustees have been elected. Preliminary planning has started for 2018.

Basketball reported that tryouts are underway. They are hoping for at least two teams per age group in 2017-2018. All groups are struggling to comply with new State mandates on Sudden Cardiac Arrest education and training.

The Community Garden reported a successful growing season and that final closure of the garden for the winter was under way. Finally, the YMCA is completing registration for Junior Cavs Basketball with numbers similar to last year.

The meeting adjourned at 7:10 p.m. The next meeting will be on Tuesday October 24, 2017, at City Hall.

IX. REPORTS AND RECOMMENDATIONS OF THE TREASURER

- 1. RESOLUTION 2017-311: APPROVE FISCAL YEAR 2018 FIVE-YEAR FORECAST.** Resolve the Board of Education approve the Fiscal Year 2018 Five-Year Forecast.

Moved by Arendt

Seconded by Kelly

Voting Aye: Arendt, Kelly, Dolezal, Reinkober, Clark

Motion Carried

2. **RESOLUTION 2017-312: ADOPT SALARY SCHEDULES.** Resolve the Board of Education adopt the Suburban League Conference Salary Schedule for Firefighters and Paramedics for the 2017-2018 school year.

Moved by Dolezal

Seconded by Reinkober

Voting Aye: Dolezal, Reinkober, Arendt, Kelly, Clark

Motion Carried

X. REPORTS AND RECOMMENDATIONS OF THE SUPERINTENDENT

a. Superintendent Reports and Recommendations

Mr. Gurka reminded everyone that the school calendar is different this year than in the past few years. Students now have off the day after the first grading period ends, October 27. This is a professional development day for both certified and classified employees. We will have school on election day, November 7, which was a day off in past years.

Mr. Gurka also briefly went over the timeline of our facilities plan and gave an overview of the Educational Visioning Session that was held on September 14.

3. **RESOLUTION 2017-313: APPROVE RESOLUTION ACCEPTING A REPORT BY THENDESIGN ARCHITECTURE SUMMARIZING THE EDUCATIONAL VISIONING SESSION OF SEPTEMBER 14, 2017.**

WHEREAS, the District has recently passed a bond issue to build a new elementary school, renovate and add to the high school and make significant improvements to the middle school as part of a comprehensive Capital Improvement Project; and

WHEREAS, the funding provided by the electorate will allow the District to make dramatic changes to the District facilities to the ultimate benefit of the students and staff; and

WHEREAS, while that funding will allow the District to do anything, it will not allow the District to do everything and choices will need to be made and priorities established to efficiently use the funding; and

WHEREAS, prior to commencing design of the three projects, the Board of Education engaged with various stakeholders in an educational visioning session; and

WHEREAS, the educational visioning session engaged with a large number of stakeholders to discuss the history of education, the current state of education and the direction of education with the purpose of developing standards and priorities for the Capital Improvement Program; and

WHEREAS, the project architect was directed to draft a report summarizing the educational visioning session to serve as a touchstone during design and to identify project priorities.

NOW, THEREFORE BE IT RESOLVED, by the Board of Education of the North Royalton City School District, County of Cuyahoga, Ohio, that:

Section 1. This Board accepts the report of ThenDesign Architecture (TDA) summarizing the educational visioning session of September 14, 2017.

Section 2. This Board directs the Administrative Team to use the report as a touchstone during design and to identify project priorities when making decisions regarding the project.

Moved by Kelly

Seconded by Arendt

Discussion: Dr. Kelly thanked everyone involved in the educational visioning session that took place on September 14. It was mentioned that there were certified and classified staff members, administrators, students, community members, civic officials, and business partners that were in attendance at the visioning session.

Voting Aye: Kelly, Arendt, Dolezal, Reinkober, Clark

Motion Carried

4. **RESOLUTION 2017-314: APPROVE PARTICIPATION WITH THE EDUCATIONAL SERVICE CENTER OF CUYAHOGA COUNTY.** Resolve the Board of Education approve participation with the Educational Service Center of Cuyahoga County who has entered into a cooperative agreement with the Hattie Larlham Care Group-Capstone Academy for the purpose of providing special education services for students with multiple disabilities and significant medical needs for the 2017-2018 school year.

5. **RESOLUTION 2017-315: APPROVE AGREEMENT - CUYAHOGA COUNTY BOARD OF DEVELOPMENTAL DISABILITIES.** Resolve the Board of Education approve the agreement with the Cuyahoga County Board of Developmental Disabilities that they may provide Technical Support Team Services with prior written referral from the District effective January 1, 2018 and shall remain in force and effect up to and including December 31, 2018.

Moved by Reinkober

Seconded by Dolezal

Voting Aye: Reinkober, Dolezal, Arendt, Kelly, Clark

Motion Carried

6. **RESOLUTION 2017-316: APPROVE AGREEMENT - PSI AFFILIATES, INC./PSI ASSOCIATES, INC., FOR THE 2017-2018 SCHOOL YEAR - ROYAL REDEEMER.** Resolve the Board of Education approve the agreement with PSI Affiliates, Inc./PSI Associates, Inc., for the 2017-2018 school year for auxiliary services at Royal Redeemer in the amount of \$76,716.90 and appoint Julie Bogden as administrator. Services are for Health Screenings Program, Intervention Specialist Services, School Psychology/Psychology Services and Speech/Language Pathologist Services.

Moved by Arendt

Seconded by Kelly

Voting Aye: Arendt, Kelly, Dolezal, Reinkober

Abstain: Clark

Motion Carried

c. Personnel and Policy
